This amazing country house is located in a quiet village not far from the popular town of Alcala la Real and also Montefrio. It has been beautifully reformed and now offers the perfect family home, holiday home or even great for renting out. There are also 2 small cottages onsite which could be converted to offer more accommodation for renting out or just for family and friends to use.

You enter the property via its own gate off the road. Here there is a nice shaded terrace with many growing areas. Through the front door into the charming sitting room with its own log burner.
