

5 bedroom Townhouse for sale in Martos, Jaén

150,000€

Wow what a special house this is! Its a lovely senorial casa in a great location and it offers so much! In fact it could even be made into a B and B and would really interest clients looking to spend time in this town. It has the bonus of its own large garage too. This could even be made into a retail unit if interested€ It has accommodation over 3 floors and has a lovely patio at the back with flower beds and ideal maybe for a jacuzzi etc. There is even a bedroom and bathroom located off this patio plus some storerooms. So on the ground floor there is a bedroom, dining room, living room plus a fitted kitchen. Then up to the 1sr floor where there are 3 more bedrooms and a full bathroom. Many of these rooms have juliet balconies too. There is also a terrace on this floor which has great views. Then up, to the 2nd floor with 2 more rooms just waiting to be made into whatever is required...mastersuite maybe or sitting room etc....lots of potential. So this has to be seen and for this price its a great investment...so special.
