3 bedroom Townhouse for sale in Alcaudete, Jaén

69,000€

A nice property in a good part of this popular town that has everything. It offers a lot for the money and just needs some internal updating and decorating but nothing major. The house has 2 bedrooms, a kitchen, sitting room and bathroom plus a patio area out the back. There is also an outbuilding here that has a summer kitchen plus it has another bedroom and batjroom so good for family and friends to use maybe€ Or you can make it into a workshop / studio...or just knock it down to make the patio area bigger. Currently the patio is about 35sqm. So a good property with potential to create something special! You can also park right outside the house too. This would make a great family home for full-time living or for holidays.
