

3 bedroom Townhouse for sale in Martos, Jaén

75,000€

The main bonus of this property is the garage and offroad parking area. This is rare in the town and the parking area will take a few cars and even bikes etc.. The house itself is in good condition so just need personal updating and is structurally very sound. On the ground floor there is a fitted kitchen, bathroom, 2 sitting rooms plus access to the rear patio area and the garage. Then on the 1st floor there are 3 bedrooms plus a storeroom and access to the terrace outside to take in the views etc.. This would rent well too and of course ideal for holidays as you can bring bikes etc to the area and park safely. You could even put a plunge pool in the patio area if thats something you want.
