

## 7 bedroom Cave House for sale in Galera, Granada

60,000€

Galera cave house amansio

Lovely large townhouse + cave (about 60% house / 40% cave) located 5 minutes walk from the center of Galera. The spacious patio has a pine tree and views of La Sagra mountain. The house part is reformed in a traditional Spanish style with lots of original character details. The cave part needs reforming (one room is reformed to a basic level).

The property has two front entrances. One entrance leads to a spacious hall. On the right is a living room, straight ahead is a large closet and to the left are multiple rooms reformed to different levels that could become a sitting room, office or bedrooms. The cave part includes a pair of connected rooms that circle round to the other front entrance where a corridor leads to a kitchen, half bath and garage. Upstairs are 4 bedrooms, a full bathroom, a balcony with great views, and 2 unreformed cave rooms. In total the property has up to 8 bedrooms. The upstairs bedrooms have great views. Space for parking outside, quiet location.

This property can be lived in right away but will need modernising and reform. It is in excellent shape, very dry.
