Galera Cave House Audrey

Two beautiful connected cave houses in the heights of Galera. The caves are totally independent and are designed to be lived in either separately or as one home,. The cave to the right (facing the caves) is a spacious 1-bedroom with sleeping space for 2 guests in the living room, carport and utility room. The cave on the left has 3 double bedrooms, one with walk-in closet. Both caves have kitchens with views over the valley. Both have spacious bathrooms. Parking space in the driveway, more parking at the front. Less than 10 minutes walk to Galera village where you will find all amenities, tapas and restaurants.
