

6 bedroom Cave House for sale in Castillejar, Granada

130,000€

Castillejar Cave House Isabel

Large cave house up on a hillside of Castilléjar facing south-east with potential for three separate units. The property has a spacious, tiled front patio with a mature olive tree and magnificent views of the dramatic Badlands across the valley. From the patio, to the right one enters the cave and to the left one enters the two storey house. The three sections of the house are connected by an internal doorway. The main entrance to the house part leads to a very large, open plan living/dining/kitchen with bathroom and sleeping space as well. This could be a self contained studio. The top floor is an apartment with kitchen/dining room, bedrooms, and bathroom. It has an entrance that opens onto a patio leading to the road above. The cave has 3 bedrooms, a kitchen, and a bathroom. This property can be made into 2 units or 3 units. There is parking on the main level and on top of the house there is a large attic. There are lots of possibilities for this property including having a gym, large workshop or holiday rental. It is in a quiet location and ready to move in.

This property is a short walk to the centre of the charming village of Castilléjar, with shops, restaurants, banks, primary school, doctor's office and weekly market. The town of Huéscar is a 20 min drive with more amenities and a 24 hr health centre. The village is surrounded by lush farmland and beautiful hillsides dotted with cave houses. There is a nearby community summer swimming pool and turquoise lakes within 20-40 minutes.
