

2 bedroom Villa for sale in Villamartin, Alicante

349,900€

Los Dolses is one of the most sought-after residential areas in Orihuela-Costa. The complex, which was built in the 90s, is part of the very well-known Villamartin urbanization, where the golf course of the same name is located. Primarily terraced houses and detached single-family homes were built here.

The property for sale is a high-quality Ibiza-type villa and was very individually designed and decorated by the previous owners.

It offers complete privacy and from the beautiful barbecue terrace you can enjoy the beautifully landscaped garden with illuminated swimming pools.

A dream not just for golf lovers.

The villa faces southwest and therefore has a wonderful, sunny atmosphere all day long.

The two-story house offers on the ground floor a large living-dining area with a fireplace, a luxuriously equipped kitchen, a bedroom and a spacious bathroom with a bathtub and a charming winter garden with a view of the garden behind the house.

The master bedroom and the second shower room with its own terrace are located on the upper floor. The upper sun terrace offers a beautiful view of the sea and the landscape.

Light flooded rooms that have been individually designed with great attention to detail: this is unique!
