625,000€

Move-in ready spacious villa with pool and sea views.

Just 3 minutes' drive from the cosy mountain village of Arenas, you will find this beautiful single-storey house. The access road is fully paved apart from 100 metres, and it takes 25 minutes to drive from the house to the coast. Through an automated entrance gate, you drive your car to the car park. From here you walk to a cosy covered terrace that connects to the living room. This living space has a wood fire, high ceilings and plenty of natural light. The kitchen with rustic look and spacious storage room is just off the living room. From the living room, you have access to two spacious bedrooms and a family bathroom. One of these bedrooms has a private bathroom and its own access via an interior patio.

Moving on from the terrace, a spacious, cosy and fully equipped second covered terrace and an open terrace emerge from which you can enjoy breakfast overlooking the sea and the mountains in the hinterland.

The covered terrace houses a lovely outdoor lounge with lounge and dining table. You can close this space on slightly cooler days with a custom-made screen, and there is also a fireplace that provides cosy warmth.

The door at the back takes you to three bedrooms. One is the one we previously described and is also accessible from the living space, the other two are completely individual. Both bedrooms are spacious, have high ceilings and their own ensuite bathroom.

The fifth bedroom with ensuite bathroom has its access through the front of the house and could be perfectly used as a guest room. The entire house, including all rooms and bathrooms have been taken care of to perfection and the property is sold largely furnished and ready to move in. All rooms and the living area have air conditioning hot and cold.

As icing on the cake, this property also has a cosy sun terrace with an 8 x 4 metre pool, extra guest toilet and a 20 m2 roof terrace. The views and beautiful evening you get to see here are breathtaking. You look 360° all around and so see the villages of Sayalonga, Arenas and Corumbela where you see the lights twinkling at night.
