

3 bedroom Townhouse for sale in Olvera, Cádiz

74,999€

This is great solid house that is spacious and in great condition , it wont take much to make it into a very comfortable home , mainly decor and furniture and your done !Located s stones throw from the townhall square this property offers a lot in one package, including two levels of terrace and fantastic views .The ground floor comprises of traditional San Juan entrance hallway , which leads into a large reception / lounge area to the front of which is what has been used as a ground floor bedroom and beyond toward the rear there is a large dinning room off which is a fitted kitchen , with both lower and upper cabinetry , although a little dated is functional and spacious ,there is a also a small patio with a ground floor loo.Upstairs on the first floor there two further bedrooms the largest to the font has a balcony and space for built in wardrobes, and the second has a window ovelooking the terrace and finished built in wardrobe . There is a fully fitted and tiled family bathroom on this level too and all rooms are completely private and accessed from a hallway which runs the length of this level and leads to back door which gives access to the first level of terrace which has some great views , but up on the next terrace the views are spectacular and almost 360 degrees with glimpse of the castle above which almost looks like its floating , there is another room up here too, which could be finished as a great terrace lounge and kitchenette as I am sure there will be lots of alfresco dining and BBQs here . All in all a great well laid out house with space to live year round and make your own.Floor Area: 88 MetersBedrooms: 3Bathrooms: 2
