

2 bedroom Villa for sale in Mijas, Málaga

995,000€

Hey there! Welcome to Buena Vista Hills, where you'll find chill vibes up in the hills of La Sierra de Mijas. This gated community is all about tranquillity, with killer views of pine forests and the Mediterranean Sea. Plus, it's super easy to get to cool places like Malaga, Fuengirola, and Marbella, thanks to the nearby motorway.

Now, let me tell you about this awesome project we've got. Picture this: a detached property on its own plot of over 700m², spread out over 3 levels. On the main level, you've got the first of two separate one-bedroom apartments. The middle level? Yup, that's where the other one-bedroom apartment is. And the lowest level? A massive basement area of 124m² just waiting for something cool to happen. The garden is easy to maintain and is spacious enough to put a swimming pool (preinstallation ready for the swimming pool to be installed).

Each apartment has its own entrance, open living space with a kitchen, a double bedroom, and a full bathroom. Oh, and did I mention both apartments have their own big terrace? Outside, there's a decent-sized garden with preinstallations ready for a pool if that's your thing.

Now, here's the fun part – this place has so much potential! You could keep it as two separate apartments and turn the basement into another one. Boom, three properties for the price of one! Or, go the traditional route and make it a 3-6 bedroom family home. That's prime real estate in a hot area, my friend. And if you're feeling fancy, the basement could be your own personal paradise – think home cinema, spa, gym, or game room. The possibilities? Endless! This could be the investment you've been waiting for.
