

2 bedroom Townhouse for sale in Cervera del Maestre, Castellón

243,000€

A property located in the heart of Cervera Del Maestre that has undergone a total renovation in 2022. The house offers style and comfort.

During the comprehensive renovation, a complete remodeling was carried out, including the installation of a new electrical network and an update of the water system. New water heaters have also been added for greater energy efficiency. The bathroom, toilet and kitchen have been completely renovated. The windows and doors to the balcony and terrace are new.

The property is distributed over four floors. Ground Floor: The ground floor has a large entrance area, a laundry room and a storage room. First Floor: On the first floor, there is a spacious open-plan living room-kitchen. Second Floor: On this floor, there is a large bedroom with a dressing room, a smaller bedroom that can serve as a guest room and a completely renovated bathroom. Third Floor: The third floor offers an additional lounge/living room and a terrace of approximately 30 square meters. This outdoor space is perfect for enjoying the views and pleasant weather. The property also has a water softener.

This home is a unique opportunity for those who want to live in a property with historic charm, but without giving up
