

6 bedroom Country House for sale in Zahara de la Sierra, Cádiz

480,000€

SELF SUSTAINABLE COUNTRY HOME WITH 2 SWIMMING POOLS AND STABLES FOR 4 HORSES

Unique eco friendly finca for sale near Ronda . Conveniently situated just a 10-minute drive from Zahara and a scenic 40-minute drive from Ronda. This exceptional property offers a serene and idyllic lifestyle in the countryside.

Encompassing a generous plot of 7 hectares, this finca provides abundant space and privacy. It's standout feature is the presence of two swimming pools, one of which is fed by a natural spring, ensuring a constant supply of pure, refreshing water. Imagine immersing yourself in the invigorating pool waters, surrounded by the breathtaking beauty of nature.

Nature enthusiasts will revel in the opportunity to observe the local wildlife, as the countryside is frequented by majestic deer and boar. The property also boasts a variety of fruit trees, including cherry, apple, and fig, scattered throughout the land. Indulge in the pleasure of plucking fresh, succulent fruits straight from your own orchard.

With six bedrooms and two bathrooms, this finca comfortably accommodates larger families or serves as an ideal retreat for hosting guests. The inclusion of solar panels ensures an eco-friendly and self-sustaining energy supply, reducing reliance on traditional power sources and minimizing utility costs.

Water access for the property is derived from a natural spring and a large water deposit, providing a reliable and independent water supply. This self-contained and eco-friendly setup enables a sustainable lifestyle, allowing you to fully embrace and respect the surrounding environment.
