

4 bedroom Country House for sale in Torrevieja, Alicante

199,995€

We present to you a large one-story property with the potential of a glamping site with lots of outbuildings. This property needs some TLC but with the right mindset, this property has so much potential and could generate a great income. Outside there has already been set up 6 spaces for caravans all with their own electricity and water and separated with large hedges for privacy. Among the trees is a log cabin converted into a large bathroom and toilet for guests so everything is set, leaving enough room to make extra seating areas and some outdoor activities. You also have an outside pool which is completely private, on the other side of the land you have several outbuildings and a double garage to make into a hobby room, storage, kennels, etc. Inside the main house, you are completely private with 4 large bedrooms and 2 bathrooms, a separate living room, a dining room, and a kitchen. Please watch the video to show you the layout and the grounds.
