

## 5 bedroom Country House for sale in Jimena de la Frontera, Cádiz

475,000€

Traditional Andalucian country home with all the elements - terracotta floors, wood beamed ceilings . Set in 18,000m<sup>2</sup> plot with amazing panormaic views - just a few minutes outside the historic town of Jimena de la Frontera . Spacious home, which does need some updates. Huge potential !

Constructed in 1999 , this large family home reflects all the trends of the time it was built . Generously proportioned rooms and very reflective of the traditional Andaluz architect.

The house has five bedrooms and 3 bathrooms - 1 ensuite . Living eoom with a wood buring stove , kitchen/diner , larder and a separate utility room .

The heart of the house is the picturesque inner courtyard at the centre of the house .

South facing garden and terrace overlooking the spectacular mountains of Los Alcornocales and Jimena de la Frontera.

Located a mere 2 minutes from the historic village of Jimena de la Frontera. The property is gated and set within an 18000 m<sup>2</sup> plot with easy access via a tarmacked road.

The land is quite steep in parts and is not really suited to keeping horses .
