

4 bedroom Townhouse for sale in Ronda, Málaga

610,000€

For sale in the historic town of Ronda , Andalusia

An absolute gem of a house, tucked away in a quiet street within the ancient walls of the historic old town of Ronda . A rare opportunity to purchase a truly exceptional home, which has been converted with real style and flare! The historic facade hides the beautifully blended contemporary and traditional features within.

Entering through a magnificent antique wood door into the ground floor, where we find several reception rooms . Including a large open plan salon/dining area , a large kitchen , a guest toilet and a 2nd salon with a wood burner and spectacular triple vaulted ceiling with glass ceiling .

A few Steps up from the 2nd salon and we are in the “ secret garden “ an unexpected haven of peace within the house . There are two good size storage rooms off the garden and large flexi space room with floor to ceiling glass curtains, looking out to the garden – this would make a wonderful winter conservatory or perhaps a work /artist studio.

On the first floor of the house are three fabulous bedrooms, each with spacious fitted wardrobes, and ensuite bathrooms – these sumptuous rooms have been designed very distinctively , the bathrooms in particular are very special . Each has a totally unique look and colour theme , high-end design elements including floor and shower tiles of Murano glass from Sicis, Sinks from Duravit and taps from Cristina . The bedroom floors are oak wood, stained and varnished to perfection .

All rooms have air condition/heat units.
