

5 bedroom Villa for sale in Ronda, Málaga

800,000€

A luxury villa, in Barrio San Francisco, Ronda. 5 bedrooms, one of which is on the lower level, and two and a half bathrooms, one being a spa., and all of Travertino marbol. The owners have thought of everything, with no expense spared. There is a private drive, enough for two cars and plenty of street parking on a quite residencial street. Views of Ronda city and surrounding countryside. Walking distance to schools, bars, restaurants, and old town square and country walks amongst olive groves..

The house has been used as a very successful rental yet built as a large family home. There is a large entrance hall with a large skylight window, a built in space for a lift , for when needed, which could be used for as a clock room. A floating staircase made of Iroko wood, a very durable wood that needs no treatment. If you like quality this is the house for you. Underfloor heating, log burning fireplace, central heating, airconditioning and electric window shutters throughout. Built in wardorbes and storage rooms, a large laundry room. The kitchen is a chef's dream, Three wall mounted Gaggenau ovens, one of which is as steam oven. There is a japenese grill, two sinks, large Siemens fridge, freezer, Silestone work top and SieMatic units.

There is wooden flooring throughtout made from Listone Giordano. and in some areas are terracota from Oropesa. A well built home, full of natural light, with a beautiful, easy to maintain garden, terraces, bbq area, and luxuriuos pool with jacuzzi. The roof top has a chillout zone, a large storage room, on a large spacious terrace to entertain and enjoy the views.
