

6 bedroom Commercial Property for sale in Ronda, Málaga

615,000€

For sale in the heart of Ronda -historic area .

Traditional large 400m² town house with a central patio and a swimming pool ! Stylishly converted and currently operational as a tourist holiday rental business .

The design of the property allows for an easy conversion to further holiday rental units or could easily make a superb little boutique bed and breakfast .

Currently there are 6 bedrooms and 4 bathrooms , The house could be a holiday complex with 4 holiday rentals or a large multi-generational home. The property could offer a large 4 bedroom home with 2 rental properties. The property offers a lot of flexibility to potential purchasers. There is a large patio with a plunge pool a rare find in the Old Town Area of Ronda. Plus it has numerous roof top solariums with excellent views. These terraces make great place to enjoy a gin and tonic watching the sun go down over the town. The property is located a 5 minute uphill walk to the centre or a 5 minute walk to the Arab Baths and the oldest bridge in Ronda. There is plenty of on street parking located around the property. There is some decoration to be completed but the structural work has been completed. The price could be negotiated to reflect the work to be completed. This offers a great opportunity to finish the property to your taste and layout requirements.
