

4 bedroom Country House for sale in Freila, Granada

64,000€

Now 69,000 Euros! A large townhouse located in Freila, Granada. It was built in 1879, now thoroughly updated to provide a comfortable family home, but retaining the impressive original beams, fireplaces and granite staircase. -----

The house has a rich history, having been the first municipal building (Casa Consistorial) in the village. Close to the church and the old centre of the village, the house is bright and airy with large rooms and high ceilings, three balconies and a roof terrace with stunning views of Lake Negratin and the countryside and mountains beyond. --

It has twelve rooms in total, with four bedrooms and three full bathrooms; the main bedroom includes a balcony,
