

3 bedroom Townhouse for sale in Cutar, Málaga

105,000€

Typical village house in a village of the Axarquía (La Zubia), very close to the reservoir of La Viñuela and about 30 minutes from the coast. It has a closed garage and a concrete patio planted with different trees that gives access to the house and the rest of the plot. The house is accessed by a large porch with unobstructed views. Upon entering we find a living room, kitchen, bathroom with shower and access to another living room in two heights with fireplace. Next to this second living room, a bedroom with toilet, a storage room and a terrace overlooking the mountains. Going up the stairs, on the second floor, we have two more bedrooms, also with beautiful views. It has 800 m2 of plot, own water tank, water from the municipal network and public sanitation. If you want to visit it, do not hesitate to contact us.
