

4 bedroom Townhouse for sale in De Bellreguard, Valencia

250,000€

We are delighted to present to you this wonderful renovated 4 bedroom house with 2 bathrooms, outdoor terrace and roof terrace.

The house consists of a giant terrace as a hall, this is as wide as the house itself.

The dining room is spacious as well as bright.

The kitchen, in square format, has considerable space. Like the rest of the house, it has been renovated. It has a bright blue top, the cupboards and cupboard are white and with some translucent glass. Both the oven and the stove are electric.

This kitchen has a window to the outside, above the sink, providing great luminosity as a consequence.

The house has 4 bedrooms, 3 of them doubles and a single.

All rooms have windows and their respective built-in wardrobe, the one that doesn't, has an extra wardrobe.

In this house, there are 2 full bathrooms. Both have showers. As a plus, there is a water softener to balance the water due to its proximity to the sea.

It has an exterior gallery, at the moment, used as a laundry room.

The roof terrace is immense, occupying the entire upper part of the house and is as extensive as the house itself.
