

4 bedroom Villa for sale in Altea, Alicante

1,700,000€

Welcome to Villa Europa, an exquisite residence nestled in the esteemed and secure Altea Hills urbanization, home to Costa Blanca's finest villas. Immerse yourself in the serenity and tranquility of this splendid Spanish locale.

Positioned atop the plot, Villa Europa offers unparalleled views of the Mediterranean Sea and Altea. The lower part of the plot is adorned with lush vegetation, enhancing the panoramic vista, extending the visual range, and establishing a seamless connection with the natural beauty of the sea and mountains.

Spanning three levels, Villa Europa is thoughtfully designed. The entry leads to the sleeping level with three bedrooms, each featuring private bathrooms and access to a shared balcony encircling the residence. On the ground level, a spacious room awaits customization, whether for a private gym or a relaxation zone with a sauna and billiards, tailored to the client's preferences.

Every room in the villa is strategically oriented towards the sea, offering exceptional panoramic views and bathing the interiors in abundant natural sunlight. The combination of untouched natural surroundings and the use of premium materials in crafting this residence makes Villa Europa an idyllic and luxurious place to call home.[IW]
