Large villa in Benalmádena with sea, mountain, and city views.

Clinging to the side of the mountain in the heart of Benalmádena, The Villa showcases unique architecture constructed on different levels. Situated on a plot of 290 sqm, this six-bedroom, four-bathroom residence extends over four floors of spacious and light-filled accommodation.

As you enter the villa, the open-plan living and dining room are anchored around a marble fireplace that serves as the centerpiece. Floor-to-ceiling sliding doors flood the interior with natural light and illuminate the crisp white walls and exposed brick walls, adding texture and character.

The stylish kitchen is equipped with wood cabinets, polished granite countertops, and a central island with a wine rack, induction cooktop, and breakfast bar. Appliances are from Bosch and other leading brands.

All six bedrooms are spacious and bright, with built-in wardrobes and direct access to the outdoor area. The master bedroom is a real retreat with a walk-in closet and an en-suite bathroom. Bathrooms throughout the residence showcase tiled walls and floating sinks and provide a mix of functionality and style.

In the basement, there is a storage room and garage, complemented by additional parking in the carport. To add to the charm, the villa has a separate apartment on the pool level, complete with its entrance. Perfect for guests or staff, this self-contained space includes a living room with a bar/kitchen and an en-suite bathroom.

However, the highlight of the property is undoubtedly its exterior, with multi-level terraced gardens offering various vantage points and views. A private pool, adorned with a charming mosaic dolphin motif, takes center stage, surrounded by ample space for seating and sunbathing. The partially covered terrace has a full outdoor kitchen and barbecue, creating an ideal setting for entertaining. In addition, there is an outdoor shower and even a private gym.
