

5 bedroom Villa for sale in Marbella, Málaga

6,995,000€

Welcome to Villa Sophia, an exquisite residence that exemplifies symmetrical modern architecture, refined interiors, and a prime location within the sought-after La Cerquilla area of Nueva Andalucía. Combining contemporary design with a nod to the traditional Andalusian-style villas of Southern Spain, this property boasts pristine white exteriors and charming roof tiles, accentuated by elegant black beams gracing its terraces. Poised on a spacious plot, Villa Sophia artfully integrates with its surroundings, creating an inviting oasis to bask in the outdoors and the region's abundant 320 days of sunshine.

The meticulously landscaped garden, embraced by verdant trees, envelops the property's terrace area. Generous terraces offer the perfect setting for alfresco dining and relaxation, catering to both gracious hosting and open-air leisure. Additionally, a splendid guest apartment on the garden level features its own terrace, serving as an idyllic backdrop for delightful outdoor gatherings, including al fresco dinners and barbecues, while providing a covered outdoor kitchenette.

Elegantly tiered, the terrace's lower level showcases an enchanting infinity pool flanked by two inviting lounge beds that gaze out over the adjacent golf course. An ingeniously designed submerged seating area connected to the pool further enriches this space.

Inside, the interiors exude sophistication and modern elegance. A harmonious neutral color palette graces the space, subtly enhanced by thoughtfully selected decorative accents that infuse hints of color. The ground floor seamlessly merges indoor and outdoor spaces through expansive floor-to-ceiling glass sliding doors. A striking wine fridge display conveniently adjoins the dining room. The kitchen, modern and functional, is fully equipped and offers abundant storage and counter space for culinary enthusiasts. Its stunning wooden cabinets and soft grey marble countertops
