

3 bedroom Townhouse for sale in Alcaudete, Jaén

69,000€

This traditional 3 to 4 bedroom terraced house is situated on a quiet street, in the town of Alcaudete in the Jaen province of Andalucia, Spain and is a lovely, ready to move into property. Enter the renovated house into a bright hallway with a wood burner and to the right is a good size lounge with a separate dining area off which is the fitted kitchen with a working chimney. The hallway continues into a tiled internal patio with a covered utility area and a fully tiled ground floor bathroom. A quality staircase from the hallway takes you to the first floor from where you have, on the left, access out onto a private sun terrace, to the right are 2 double bedrooms and you have steps leading up to a large attic space which has room for 2 further bedrooms or a bedroom with a large bathroom. The roof was replaced keeping the characterful wooden beams. All in all this is a very charming house, nicely restored. There are one or two low doorways as in many of these older properties.
