

3 bedroom Apartment for sale in Estepona, Málaga

425,500€

Modern Apartamento de Planta Media with 3 bedrooms and 2 bathrooms. Located in a complete residential complex on the beach in the west of Estepona, this media plant apartment offers a spacious and modern option to enjoy the Costa del Sol code. Enjoy a relaxed atmosphere, natural beaches, golf courses and numerous attractions in the area.

The media plant apartment has three bedrooms and bathrooms, providing ample space and comfort for residents. With a modern design, this property offers a bright and welcoming environment.

The residential complex offers a wide range of amenities, such as a community swimming pool with well-kept gardens. Additionally, there are areas to relax and enjoy the environment, as well as security and reception within 24 hours.

Inside the apartment, you will find a space designed for comfort and functionality. The kitchen is fully equipped, and the bathrooms are equipped with modern accessories and showers. The living room is bright and spacious, creating an ideal environment to relax and spend time with the family.

The location is ideal, with supermarkets, stores and business services. The beaches of the Bahía de Estepona and a new golf club are located a short distance away. This growing area is experiencing an increase in value thanks to important projects, such as a hospital, a bilingual school and luxury promotions. Additionally, you are planning more high-category residential resorts for the future.

Every few minutes you will find the sports ports of Estepona and La Duquesa, as well as several popular golf courses. The complex has easy access to the A-7 and AP-7 motorways, which connect Estepona with Gibraltar, Marbella and Málaga.
