

## 6 bedroom Cave House for sale in Mijas, Málaga

290,000€

Located in an idyllic setting in the Mijas Costa countryside, surrounded by the majestic mountains and nestled in quiet golf courses, this property offers an exceptional opportunity for those who seek to merge natural serenity with the comfort of being close to everything. The main house, although it needs a total renovation to regain its splendor, has four bedrooms and two bathrooms, ensuring space and versatility for a full family life.

Right next door, there is a charming two bedroom wooden house and a bathroom, which adds a picturesque and cozy touch to this property. This wooden house, with its attractive aesthetic, highlights the country atmosphere and integrates perfectly with the surrounding mountains. While the main house expects to be restored, the wooden house already provides a charming room experience.

This property is positioned as a retreat for nature lovers and those who appreciate the panoramic views of the countryside. With the proximity to Mijas village, Mijas Cala and Fuengirola, residents can experience the best of both worlds: rural tranquility and accessibility to urban services. The beaches of Mijas Cala are less than 10 minutes by car, while the Miramar shopping center in Fuengirola is also within walking distance.

The main house, built on two levels, offers a spacious living room on the ground floor, along with an open concept kitchen. A bedroom and a bathroom complement this floor, providing practical and functional layout. On the first floor, a large room with usage potential as an office, and three additional bedrooms with bathroom, offer a flexible and comfortable distribution for the whole family. One of the bedrooms even offers a terrace with panoramic views of the Mijas mountains.

The garden surrounding the property not only adds visual charm, but also the possibility of cultivating fresh
