

6 bedroom Townhouse for sale in Olvera, Cádiz

82,000€

Here we have a wonderful property, situated on a highly desirable and historic street in Olvera in the heart of the old town. The property itself is in good condition, however it would benefit from some updating. Entering from the street, you are greeted by a traditional Spanish hallway, with external and internal doors decorated by traditional tiles. Once inside the first room, which is currently a reception room, opens out, on your left you will see good sized living room with lovely bay window looking out onto the street. Walking ahead you will come to the first of many bedrooms, of which this is a generous size. Additionally on the ground floor there is an equally well sized fitted kitchen with storage, a well equipped bathroom and access to an outside area with a storage room. Upstairs, at the front of the house are two double bedrooms, each with a juliet balcony looking out on to the street. Walking along the long landing, there are another two double bedrooms on the right with yet another located ahead with a good sized en-suite bathroom. From the landing you head upto the large roof terrace, with double aspect views you can enjoy the views of the church, castle and the surrounding mountains. Lot Area: 189 Bedrooms: 6 Bathrooms: 2
