

## 3 bedroom Villa for sale in Cumbre del Sol, Alicante

1,871,000€

This modern villa is located on the Cumbre del Sol and offers breathtaking views over the countryside and the sea. The villa is characterised by an architecture that looks outwards, towards the blue Mediterranean.

The upper floor houses the entire house, which provides extra comfort. The night area consists of three en-suite bedrooms bathed in natural light that preserve a great deal of privacy with respect to the day areas. The living room, dining room and kitchen are linked to the exterior, thanks to the use of glass walls that favour a permanent visual connection with the sea.

The terrace of more than 70m<sup>2</sup> is dominated by an infinity pool. The house is complemented by a multi-purpose basement with two porches and a garage.

The geometric shapes that outline the exterior structure are clad in glass and sheets of natural stone in grey, which contrasts with the white of the façade. The cube that houses the terrace of the master bedroom stands out, jutting out and directly overlooking the sea.
