We are very happy to market this beautiful fully equipped corner semi-detached villa in the quiet residential area of Lomas de Cabo Roig.

This charming villa consists of three double bedrooms, two bathrooms and a separate kitchen. Upon entering the property, you will find a spacious garden, space for a barbecue and off-street parking. Once inside the property you have a well laid out living room with dining area, separate kitchen and bathroom. There are three double bedrooms and a full bathroom, one of the bedrooms is downstairs and the other two are upstairs. If all this was not enough, it also offers a great terrace with plenty of space to do many things, such as additional storage or relax.

It is located right in front of a beautiful park, so it has open views and a lot of privacy. It is oriented to the south, which guarantees sun throughout the year.

The location is perfect as you can easily reach Campoamor beach in five minutes and there are many restaurants and shops within walking distance.
