

3 bedroom Apartment for sale in La Siesta, Ibiza

795,000€

Beautiful penthouse in a prime location in Santa Eularia with stunning sea views, within walking distance of the center of Santa Eularia.

The penthouse has three fairly sized double bedrooms, a family bathroom, a living-dining room and a fully equipped kitchen. Furthermore it displays a smaller terrace with a barbecue area in front of the living of approx. 20 sqm, as well as a spacious roof-top terrace. This rooftop-terrace could be one of the most amazing chill-out places here in Ibiza, overlooking the harbor and the town of St. Eulalia. With a total area of approx. usable 200 sqm, this penthouse offers enough space to live comfortably. The penthouse is a basic good construction but could benefit from a visual modernization.

Direct access to the beach is one of the many features of this beautiful penthouse, ideal for families, couples or those who prefer the pleasant life. There is a communal pool, located in a large well-maintained closed-off garden, as well as more than enough off-road parking-space behind the building on a public parking-lot.

Santa Eulalia -Siesta:

Siesta is a small urbanization located between Cala Llonga, Valverde, and Santa Eulalia del Río. It boasts a tranquil atmosphere and is within walking distance from Santa Eulalia. To reach Santa Eulalia, you can cross a charming little bridge over the Santa Eulalia river. Siesta offers a selection of restaurants, bars, and cafes, providing convenient options for its residents. Additionally, there is a small beach accessible from Siesta, which is perfect for the local inhabitants. Its central location makes it easy to explore all parts of the island.
