

1 bedroom Apartment for sale in La Siesta, Ibiza
275,000€

This beautiful apartment is located high up the mountain in the Siesta urbanisation in a quiet, idyllic setting.

We find this property on the second floor and it has a good size for a single person or a couple, as it has one bedroom and one bathroom. In the living area we find the open, fully equipped kitchen, which was completely renewed in 2020, a cosy living room and a dining area. Here we have direct access to the nice terrace. Both, the bedroom and the living room have underfloor heating and the living room offers an air conditioning unit (hot/cold). The bedroom is flooded with daylight thanks to large sliding doors that also lead onto the terrace. The bathroom was completely renovated in 2018.

The terrace is perfect to enjoy your coffee in the morning and watch the sunrise, have breakfast or dinner. As the apartment is being sold fully furnished, the new owner can move in immediate.

The apartment complex counts 4 floors and is located on the mountain in Siesta. The communal outdoor area offers a large swimming pool as well as a tennis court. It comes also with a parking space in front of the house.

In the suburb of Siesta near the town of Santa Eulalia you will find supermarkets, restaurants and entertainment throughout.
