

3 bedroom Country House for sale in Alcala la Real, Jaén

99,000€

This 335m² build 3 bedroom, 2 bathroom Cortijo is situated by the side of the Palancares stream that runs through the village of Villalobos. Villalobos is just 6 Kms from the historical city of Alcala la Real in the south of Jaen province in Andalusia, Spain. You enter this substantial property and its generous 244m² plot through large double gates which lead into a courtyard off which are a number of storage rooms, a toilet and wash room, a separate male toilet plus another utility room with a wash basin. From the courtyard a door leads to what was once a good size Bar which still has the original counter top. This could again become a large entertainment space that also has 3 rooms on this ground floor area. Stairs from the bar area take you to the first floor and on the right into a lounge off which is a twin bedroom and a double bedroom, also off the lounge is a fully tiled shower room and another large bedroom, you also have a storage space with direct access out into the rear garden area. Also on this first floor level, to the left of the stairs is the kitchen area that has access out onto a sun terrace with steps that lead down into the front courtyard area.
