

## 3 bedroom Villa for sale in Finestrat, Alicante

600,000€

New project of 14 Mediterranean style detached villas in a newly developed residential area in Finestrat, designed for a relaxed and peaceful life. All the villas are south facing with views of the bays of Benidorm, Villajoyosa and Alicante, between the sea and the mountains, with all the comforts for you to enjoy a new concept of home, next to green areas, sports facilities and golf courses included in the infrastructure plan of the Terra Mitica theme park. With direct access from the AP-7 motorway, two minutes from the Marina shopping centre, and with a bus stop at the entrance to the complex with three bus lines that connect the urbanisation with Finestrat, La Cala and the centre of Benidorm.. These detached villas with independent plots are distributed in ground floor, 1st floor and solarium, and consist of 3 bedrooms and 2 bathrooms, plus a large semi-basement with parking for several cars, storage room and private swimming pool included. They are bright and very warm homes, finished with high quality materials. They are delivered in 12 months from the reservation. Do not hesitate to contact us, we will be happy to tell you more about these beautiful villas.
