

Townhouse for sale in Frigiliana, Málaga

50,000€

What a wonderful place to disconnect and connect with nature! This studio in El Acebuchal, a restored hamlet with charm and tranquility, offers the perfect getaway from the city. With its serene and tranquil atmosphere, this studio is ideal for relaxing and recharging. Plus, its location in a restored village adds a touch of authenticity and charm to the experience. With a fireplace, this studio gives you the warmth and comfort needed to enjoy the cool and cozy nights, creating a cozy and romantic atmosphere. And that's not all: the terrain of about 650 meters with fruit trees and olive trees is the perfect complement to this rural getaway! Imagine strolling among centuries-old olive trees, enjoying panoramic views of the surrounding mountain range, and perhaps even picking some fresh fruit from the tree. In addition, El Acebuchal's location offers a wide range of outdoor activities, such as hiking and horseback riding, allowing you to explore the natural beauty of the surroundings and immerse yourself in the tranquility of the countryside. In short, this studio in El Acebuchal is much more than a place to stay; It is a unique experience that allows you to disconnect from the hustle and bustle of the city and immerse yourself in the beauty and serenity of the countryside.
