

3 bedroom Country House for sale in Mijas Costa, Málaga

444,000€

This new project is located in the fantastic area of riviera del sol, mijas costa. You are located close to the beautiful golf course of Calanova, 5 minutes to La Cala de Mijas and 5 minutes to Riviera del sol and its amenities. The townhouses are in a private but secure location. Mijas Costa is an ideally located area on the coast situated between Marbella and Fuengirola and only a short drive down the motorway to the airport. The area is beautiful and ideal as you get sunshine most of the year thanks to the microclimate of the costa del sol.

The townhouses in the project will have between 3 to 4 bedrooms each and will be set over 2 floors. They will have a private garden and an option to have a private swimming pool if desired. Each house has been designed to maximise the light space and comfort as well as good outside space which will maximise the outdoor living off the coast. The community will include a communal pool, a gym, coworking space and beautiful communal gardens. The design is contemporary and beautiful throughout.

The licence has already been granted so do not miss out on the best options today.
