

6 bedroom Townhouse for sale in Turre, Almería

400,000€

For Sale: Large Townhouse in Turre, Almeria – Quality Finishes & Mountain Views.

This spacious 6-bedroom townhouse in El Argamasón, Turre, offers a unique blend of countryside living with high-quality finishes. Situated at the foot of the Sierra Cabrera mountains, the home boasts stunning views and thoughtful design features. The property has never been lived in and is positioned in the middle of a row of three townhouses. Built with top-quality materials, it features beautiful wooden units in the bathrooms, handmade decorative tiles, terracotta herringbone flooring, and solid pine carpentry throughout.

Inside, the ground floor includes a welcoming hallway, a bright living room, and a kitchen area ready for customisation. There are also two bedrooms, a bathroom, a guest toilet, and a built-in storage area under the stairs. The first floor has a hallway leading to four well-proportioned bedrooms, each with built-in wardrobes and access to a mix of bathrooms with walk-in showers, shower cubicles, and one bathtub. One of the bedrooms enjoys a private south-facing terrace with spectacular mountain views.

A roof terrace offers 360° panoramic views of the surrounding countryside and mountains, while the home's dual south and north-facing orientation provides ideal sunlight and shade throughout the seasons.

Additional features include tilt-and-turn windows with roller blinds, a covered front porch, and the possibility of purchasing extra land. The property is just 2 km from the amenities of Turre and a 15-minute drive to the beaches of Mojacar and Garrucha, with quick access to the motorway.
