

## 3 bedroom Villa for sale in Alcaucin, Málaga

179,000€

Casa Moreti is a detached and traditionally rustic Spanish property, located on a no through road, in a tranquil and peaceful area below the national park area of Alcaucin. The house sits on a completely flat and grassed plot with a small orange grove. There is a chicken coup and wood store room that could be developed in the future. You enter the property through the main door into the hallway, off of this area is a shower room and the dining room. The kitchen is typically Spanish and has a small dispenser area and a door that leads out onto a terrace with BBQ area. The lounge is off the dining area and has a small built in wood burner and then granite stairs leading up to the 3 double bedrooms and family shower room. The bedrooms have beamed ceilings and the master bedroom has a door leading to a small terrace with fantastic views of the countryside. This is a turn key opportunity to buy a typically Spanish property in a peaceful location.
