

## 2 bedroom Country House for sale in Los Montesinos, Alicante

199,500€

This property has a house of approx. 70m2 built on one floor, classified as urban residential use, on a rustic plot of 3,176 m2, where lemon trees are planted in production with an irrigation system. The house is distributed in a living-dining room with an open kitchen, two bedrooms, a bathroom and a storage room. It is sold furnished: it includes kitchen equipment, fireplace in the living room, built-in wardrobe, beds, as well as other accessories. Around the house there is a covered porch with a built-in barbecue and an access door for vehicles with gravel terrain. It has an excellent location, and is just 3 minutes by car from the center of Los Montesinos and 15 minutes by car from the beaches of Torrevieja.
