

4 bedroom Commercial Property for sale in Castril de la Peña, Granada

175,000€

Casa Brigida is a well kept, beautiful refurbished village house in the centre of the lovely village Castril. With licence for rural tourism. Large village house over 3 floors, with a garage and a little bodega. In the center of the touristic village Castril. The location is wonderfully suited for a B&B as inside there are several beautiful rooms, 3 lounges, a little bodega, a kitchen, a dining room, and several bed- and bathrooms. The house is built between two streets, thus on the backside is another entrance and a small patioterrace. All together this is a beautiful property where you can live the Spanish dream and earn your money in the mean time. The village Castril is famous for its castle, the gorge alongside a wild river, and the many natural parks and lakes. Well priced and certainly worth a visit.
