367,000€

Brand new apartments in Casares, Malaga on a gated resort of 58 apartments in total with 2 or 3 bedrooms, distributed over 4 buildings which offer ground floor properties with private gardens, and are crowned by the exclusive 3-bedroom penthouses with an impressive private rooftop terrace/solarium with stunning, unobstructed views of the Mediterranean Sea.

Every property consists of a bright living/dining room, a modern open plan kitchen, two bedrooms with fitted wardrobes, two bathrooms, air conditioning (hot/cold) throughout the property, and a large south-east facing terrace. And there is an outdoor parking space for each apartment, underneath a pergola to provide shade.

The development has large, landscaped areas for families to enjoy and a beautifully designed communal garden with swimming pool.

In recent years, Casares Beach has become the jewel in the crown of the Costa del Sol. With a perfect location between the imposing mountains of the Crestellina range, where the pretty white villages of Casares, Gaucín and Genalguacil shelter, and the generous beaches at Playa Chica and Playa Ancha, situated between the coastal towns of Estepona, San Luis de Sabinillas and the Port of La Duquesa.

Malaga international airport is only 1 hour away by car, and Gibraltar's airport is just a 35-minute drive from the development, so you can enjoy your home even if you only stay for a few days.
