Exclusive Duplex Penthouse with Breathtaking Panoramic Views - El Soto de La Mairena

We're proud to present this rare and exceptional duplex penthouse, nestled in the serene natural biosphere of El Soto de La Mairena. Set within unesco-protected land, this unique property offers a tranquil retreat surrounded by unspoiled nature, yet is just a 10-minute drive to Elviria and the finest beaches of the Costa del Sol.

Spanning over 250m² across two levels, this penthouse is designed to maximise space, comfort, and most importantly, its spectacular panoramic views. From the moment you step through the entrance, you are greeted by an uninterrupted view stretching across the mountains, golf courses, and down to the Mediterranean Sea. The view is simply breathtaking, making this property truly one of a kind.

Main Level: Elegant Living Spaces & Panoramic Terrace

The bright and spacious open-plan living area is designed for modern comfort, featuring a cozy fireplace and direct access to the expansive terrace - the perfect spot to soak in the stunning scenery. With glass curtains, this space can be enjoyed year-round, whether you prefer an open-air feel in summer or a cosy retreat in winter. The contemporary open-plan kitchen is seamlessly integrated, making it an ideal setting for both everyday living and entertaining.

This level also hosts two generously sized bedrooms and a well-appointed bathroom, providing comfortable accommodation for family and guests.
