

3 bedroom Country House for sale in Cebas, Granada

77,000€

Casa Esteban in Cebas (Castril)

This is a nice cortijo in a fantastic location. This cortijo is surrounded by rolling hills of farmland and has an olive orchard with 49 mature trees. The house has a living room, kitchen, 3 bedrooms and a bathroom. There are 2 garages, one attached and one unattached.

The property is situated on a small country road. The front entrance is via a track from the road. The back entrance of the house is situated on the road with a garage entrance.

The front of the house has a patio area with parking spaces and the spacious unattached garage. A wide portico provides a veranda for sitting with east-facing views of the gorgeous surroundings including the olive orchard.

From the veranda, you enter the central living room. To the right you find a full kitchen. To the left is a double bedroom with a window towards the olive trees. Straight back from the living room is a corridor with four doors. To the left is a double bedroom, then a single bedroom, then the bathroom and finally the attached garage with fireplace and the hot water heater. This kind of garage is often used as a lounge, as it has an open fireplace and can be installed with a summer kitchen.

There is a neighbor about 100m away in each direction. There is a restaurant 2km away. This exquisite place is extra quiet. The stunning and pristine La Bolera Reservoir is under ten minutes drive away. The beautiful village of Castril is a 15 minutes drive with shops, restaurants, tapas bars and a weekly market. The larger town of Pozo Alcon is about 20 minutes drive with more amenities and a 24hr health centre.
