

2 bedroom Villa for sale in Torrevieja, Alicante

389,000€

The semi-detached villas stand out at first sight for the perfect balance transmitted by the combination of straight, pure and minimalist lines, together with other more undulating and organic parts, which give the whole an elegant and refined appearance that will not go unnoticed by no one. On its terrace you can enjoy your family evenings, sunbathing, or cooling off in the 10 m2 pool included. Basement from 70m² included. In addition, you will enjoy the experience of living in an exclusive residential area full of large common areas for natural recreation, lush gardens, a bio-healthy area, children's games, and of course, 2 large community pools, one for adults and one for children.
