

4 bedroom Villa for sale in Moraira, Alicante

795,000€

This villa consists of a high ceiling living room with direct access to the covered terrace and pool area. A dining room, directly next to the large fully equipped kitchen and a guest toilet on the same level. Upstairs are 3 good sized bedrooms with built in wardrobes and two bathrooms (one of which is en-suite to the master bedroom). There is also a large terrace on this level with even some sea views.

In the basement there is natural light that enters through an English patio. On this level there is a really large multifunctional room, which is actually used as a super large bedroom, bathroom, laundry room, and storage room. Outside there is a double garage and a small garage for jet skis or motorcycles. A truly comfortable villa in an exceptional location! HP96358
