Last villa available!!!

We've started the construction of our new development of villas in Sierra Cortina

They will be something unique, exclusive, special, different... in the best area of Sierra Cortina, with unbeatable views of the bay of Benidorm and the Mediterranean Sea, and just a few minutes from its beaches.

The development is made up of 12 independent villas of 3 and 4 bedrooms, on two floors plus basement and plus garage; with garden, solarium, and independent swimming pool; on plots from 437 to 602 m2.

The villas have spacious and luminous rooms all outside, with excellent views and distributions that take advantage of the best of each environment of the house.

They have finishes and interiors of the highest quality that are integrated into a current concept of high standing, which combines with the distinction, comfort, and luxury.

In its design and construction, aspects such as energy efficiency, home automation, and the quality of materials and equipment provided by leading brands such as Saloni, Villeroy & Boch, or Hansgrohe have been taken into account. - The price advertised is the starting price of this new build project. Prices of properties in this project will depend on for instance size, bedrooms and level. Ask for current availability. -
