

Land for sale in Yecla, Murcia

28,000€

Agricultural warehouse in good condition with a surface area of 75 m2, with a galvanized sheet metal roof. The plot is 11,000 m2. It is planted mostly with almond trees. It also has several pine trees that provide excellent shade. The plot is not fenced. The farm is 12 km from Yecla and 8 km from Caudete, and is paved up to the access roads. It has irrigation water from a natural spring within the farm itself. It is located in a natural area, with excellent panoramic views.
