About the Villa

The villa has been beautifully decorated by leading interior designers Hamilton Interiors, with very high quality furniture, hand-made works of art, sumptuous king-sized beds with luxurious Egyptian cotton sheets, extensive outdoor sofas and rattan loungers.

The villa has only just been refurbished to a high standard using both beautiful cream stone, authentic Spanish tiles and polished marble throughout the house and is now available from the 17th May 2009. The villa offers air conditioning throughout, plus silent hand-crafted fans with teak blades (for those who prefer to sleep without air con).
