

1 bedroom Country House for sale in Coin, Málaga

125,000€

This is an idyllic spot with 35,000 m2 of land which is located directly on a small river in Coin. There is also a building on the land which is about 49m2. In this building there is a bedroom and a small kitchen with a large BBQ as well as a small room which is sometimes used as a living room.

On the property there are many fruit trees, olives, peaches, plums, grape vines etc. There is also a vegetable patch.

The property has a well which is about 5-6 meters deep and it is also possible to connect it to electricity.

IMPORTANT: the building is not legalized but has been there for over 30 years!

This great land is about a 10 minute drive from the center of Coin, but is not paved and we therefore recommend 4 x 4 vehicle.
