

Commercial Property for sale in Santa Eulalia, Jaén

58,000€

A parking space is available in an underground community garage in Santa Eulalia del Río, in the Balearic Islands. This property represents an excellent opportunity for those seeking a convenient and secure solution for parking their vehicle in one of the most sought-after areas of the island.

The parking space has an area of 11.5 m², with dimensions of 4.5 meters in length by 2.50 meters in width, making it suitable for vehicles of various sizes. Access to the garage is straightforward, facilitating easy maneuvering both when entering and exiting.

The garage is for community use, ensuring a monitored and well-maintained environment. The underground location protects the vehicle from the elements and provides an added level of security compared to street parking.

This parking space is ideal for both residents and those who frequently visit Santa Eulalia del Río and wish to secure a fixed spot for their vehicle in a central and high-demand area.
